Tri-County Technical College's copyright policy is based upon United States Copyright Law, Title 17, U.S. Code, 1976 (<https://www.copyright.gov/title17/>) The copyright law of the United States governs the making of photocopies or other reproductions of copyrighted material. Our procedures are based on review of the law itself, the Fair Use Doctrine of 1997, the TEACH Act of 2002, the Digital Millennium Copyright Act, and the DMCA exemptions of 2006.

The college resolves that it will not, through this policy nor any other, deliberately infringe upon the rights of copyright owners nor will it knowingly allow deliberate infringement by its employees in conjunction with their employment.
